Webmaster Needed!

Our Webmaster, Steve Taylor, has been doing an excellent job of maintaining the Mother Lode Gun Club website for many years, but is now ready to retire. If you are a person with an aptitude and desire to take over the website work, Steve is ready and willing to provide any training you would need. This would be a great opportunity, particularly for one of our younger shooters, all of whom are computer literate, to learn a valuable new skill. If you are interested, please call Steve at 209 586-0529.
