Target Talk—August 2017

—President's Message

Mother Lode Gun Club Members:

We had a very good membership turnout for our July general meeting and were honored by John Lucky's *Nuggets* who brought home two awards as well as recognition of other top shooters. Thank you Nuggets for all your hard work and dedication.

The Club also voted in nine new members who have been waiting a long time to join. Thank you Frank Torres and Bob Gandolfo for making that happen.

Vice President Dick Coffin reminded all members to please use only paper shooting targets on provided boards and do not shoot anything on the ground.

I hope to see new faces at the August meeting.

John Popke, MLGC President

Indoor Range Remains Temporarily Closed

Please be advised that the indoor range remains temporarily closed until further notice to allow for inspection, cleaning, improvements and repair to ensure its safe use for all Mother Lode Gun Club members, their guests and participants in other shooting events.

Club Policy on Targets

It is against club policy to bring any foreign objects onto the club grounds to be shot at and this includes cans, bottles and bowling balls.

Use only paper targets on all ranges. The Club supplies hanging boards upon which to mount your paper targets. When you are finished shooting, please remove your paper targets from the target boards and return all of the target boards to the appropriate storage area.
