*I hold it, that a little rebellion, now and then, is a good thing,
and as necessary in the political world as storms in the physical.*

Target Talk—February 2017

Attention RSO's

Our new Club President, John Popke, has requested that all Range Safety Officers donate one hour of their time per month as "boots on the ground" time to walk around the grounds and supervise the ranges. As there are approximately 744 hours per month, giving up one of those hours to help the Club shouldn't be too much of an imposition. RSO's, please get in touch with Bill Tidwell (878-3056) for more information.

Jr. Trap Safety Clinic

The Jr. Trap Program will conduct a mandatory Safety Clinic at 5: PM on Tuesday, February 7.

Mark Your Calenders Please!

Saturday, April 29th (subject to change, depending on weather) there will be a Workday at the Club for cleanup and maintenance. **All ranges will be closed until the work is finished.** Your help would be greatly appreciated as more hands make the job easier and faster for everyone. Range Officers, **please show up** and bring a friend or two! Contact Dick Coffin (209) 352-8750 to find out what tools to bring. We will start at 7: AM and if we have a decent turnout, we should be done by noon.

Want to Use The Kitchen?

Lynn Bahten has been appointed to the position of kitchen coordinator. Anyone wishing to use the kitchen facilities must contact her at 984-4692
