## Target Talk—July 2017

### Temporary Closure of Indoor Range

*To the Membership of the Mother Lode Gun Club:* Effective July 1, 2017 the indoor range will be temporarily closed for all membership including live firing.

Upon review of the recent information provided by Fred Coleman, Lead Abatement Chairman, and in keeping with the current EPA standards and requirements, we are closing the indoor range from any live firing as well as all other usage beginning July 1, 2017 until further notice. This allow for the necessary improvements and deep cleaning of the bullet trap and the inspection of the electrical wiring and support structure to ensure the safe use for all Mother Lode Gun Club members, their guests, participants and any other shooting events. — *John Popke, President*
