July 9, 1722, printed in the New England Courant

Target Talk—June 2017

Regarding the Board Meetings

The Board of Directors now holds their monthly meeting at 6:00 PM, prior to the General Meeting. Members are welcome to sit in on these board meetings, but please remain quiet. If you come early for the General Meeting, please try to keep the sound level down while the board is conducting their meeting.

Clandestine Classes

Please be advised that if you are holding firearms training classes or instruction of any kind at the Club for which you are being paid, and if you are doing so without prior authorization, you are in violation of Club rules. If you are involved in this activity you must desist at once and seek approval of the Board of Directors before continuing.

Remember

If your NRA membership expires within the calendar year, it is **your responsibility** to submit an updated copy with a new expiration date. Failure to do so within one (1) month of the expiration date will cause your gate card to be deactivated until proof of your updated NRA membership is received.

Friends of NRA Dinner!

The Friends of NRA annual banquet and auction is coming up on Saturday, June 3. When you attend the dinner and buy raffle tickets, you are supporting an organization whose financial grants to the Mother Lode Gun Club far exceed the amount of money made by the event. Please come out and lend your support for this fine organization which gives so much back to us in their financial support for shooting sports here in Tuolumne County. Call Barry Blaylock at 586-8995 to get your tickets.

Indoor Range Dust Control

In an effort to control the dust in the indoor range, dust mops and brooms are no longer allowed in there. Spent cartridges must be picked up manually or with the wire wheel that is available.

The recent workday on our Club grounds was very successful. A heartfelt Thank You to all who participated with their time, effort and equipment!
