Maintenance Help Needed!

The Mother Lode Gun Club is looking for a person to help with grounds maintenance. This is a part-time position. If you're interested and you if you have some construction experience, please call Glenn Roberts at 768-4164 for more information.

No Shooting After Sunset!

There have occasionally been members still shooting on the ranges after dark. Please note that effective immediately, all shooting on the rifle and pistol ranges must stop at Sunset PST, not at the last light of day. This refers to the actual time of Sunset, which can be found on the internet as well as on your 'smartphone' or iphone, if you have one. Failing that, the *Old Farmer's Almanack* has done a good job of listing sunset times for many generations. This does not apply to the trap ranges which will close at 10:PM.

Members Please Note

If your NRA membership expires within the calendar year, it is your responsibility to submit proof of your renewed membership which shows your new expiration date. Failure to do so within one month of the expiration date will cause your gate card to be deactivated until the Club has received proof of your renewed NRA membership.

Plan Ahead Trap Shooters!
