Target Talk—May 2017

RSO Training Course Ahead

There will be a Range Safety Officer Course on May 17 and 18. If you wish to register, please call Bill Tidwell at (209 878-3056) or you can Email him at: bill@train2besafe.com

Notice of Upcoming Vote

At the May 8 general meeting, members who are present will be asked to vote on the transfer of funds to complete the required handicapped parking on the grounds.

No Cross-Range Shooting!

We have had several episodes of cross-range shooting at the Club recently. Please keep in mind that this is an unsafe practice which is prohibited by the range rules of the Mother Lode Gun Club and will result in disciplinary action if it continues.

Remember

If your NRA membership expires within the calendar year, it is **your responsibility** to submit an updated copy with a new expiration date. Failure to do so within one (1) month of the expiration date will cause your gate card to be deactivated until proof of your updated NRA membership is received.

Black Oak Casino Trap Shoot

Sunday, May 21, the 100 yd. range will be closed for a trap shoot sponsored by the Black Oak Casino. This shoot is limited to Tuolumne County residents and Mother Lode Gun Club members only.

Indoor Range Dust Control

In an effort to control the dust in the indoor range, dust mops and brooms are no longer allowed in there. Spent cartridges must be picked up manually or with the wire wheel that is available.

Mark Your Calendars

The Friends of NRA annual banquet and auction is coming up soon, Saturday, June 3. When you attend the dinner and buy raffle tickets, you are supporting an organization whose financial grants to the Mother Lode Gun Club far exceed the amount of money made by the event. Please come out and lend your support for this fine organization which gives so much back to us in their financial support for shooting sports here in Tuolumne County.
